**LEARNING TEACHING TRAINING in Calabria**  
19-26 September 2021

**Villa Gabriella International**

## Via Tommaso Campanella 25, Satriano marina/Soverato

The Learning Teaching Training Week takes place in Villa Gabriella International which is also the lodging place for our International guests. The Villa is not just our headquarters, it's a lovely place created as a social project by JUMP and C.T.E. SRL to recover and modernise the old style villa making it "living" again with an international atmosphere. The district of "La cittadella" (formally in Satriano marina) is in the beautiful valley of the olive trees, surrounded by green spaces, it's peaceful and safe. Yes, it takes 10 minutes to walk to the city center and to the beach, but, living and learning at the villa means to be immersed in the local culture and to contribute to valorise this area, contributing to the development of the sustainability of JUMP-C.T.E. structure. In the lodging services local transfers and excursions are included! Sometimes there are some nice surprises for the team. Being lodged here, you will always have our assistance and support.
